i got the idea for them to talk about the ninja turtles from conversations i had w my friends in high school and from the six year old me that dressed up as raphael for halloween ??

also, i beyond a few ideas i have for the next chapter, i really have no idea where i'm going with this fic, so any suggestions or ideas would be great!!

sorry there was no mike and ben, and barely any bev! they will definitely be more involved in the next chapter!!
